**Submission
requirements**

Contact DOA if the agency has any problems with the spreadsheets.

After downloading the files, rename the spreadsheet file using the agency number followed by Att24. For example, agency 151 should rename Att24.xlsx as 151Att24.xlsx.

Submit the Excel spreadsheet electronically to finrept-agyatt@doa.virginia.gov.

Please include **Agency Number** and **Attachment Number** in the **subject line** of the submission e-mail.

Copy APA via e-mail to APAFinRept@apa.virginia.gov.

Do not submit paper copies of this Excel spreadsheet.

For your convenience, the contact information in all but the first tab in each attachment/template has been unlocked and shaded yellow. The contact information continues to be auto filled with the information from the first tab but the cells remain unlocked to allow for more than one preparer to complete the attachment.

**Attachment
revisions**

If you identify a submission that needs a revision, please contact the AttachmentAnalyst@doa.virginia.gov mailbox for guidance prior to submission. If a resubmission is approved, please follow the instructions below.

If attachment revisions are made subsequent to DOA acknowledgement of receipt and acceptance of the original attachment submission, **resubmit the revised attachment AND complete the Revision Control Log tab in the attachment Excel file.**

Enter the revision date, row number and column letter revised, and the previous and revised information. Document text changes and numerical changes. Only enter changes for amounts actually keyed. For example, if a non-keyed, calculated total changes as a result of the revision, this does not need to be documented on the Revision Control Log.

If the attachment is revised more than once, do not delete control log revision information from the previous revision. Enter the new revision date and the additional revisions in the rows following the initial revision rows. This log should document all revisions from the initial attachment submission.

Include “**REVISED – date**” in the **subject line** of the submission e-mail as well as in the **file name**. Resubmit the revised attachment; and ensure that the **Revision Control Log** tab has been completed.

Each time a revision is submitted the Certification tab should be updated with new signatures and dates.
