Attachment 29  
Government-wide Payables and Other Accruals as of June 30**

---

**Purpose**

This attachment is to capture amounts owed as of June 30 and **paid or expected to be paid after August 31** that:

1. are **not** included in the VAPR0520, *Voucher and Expense Accrual Report* (see the following section) with a Cardinal voucher post date after September 30; or
2. were **not** reported via supplemental information or other attachments (except **Attachment 27 – GASBS No. 33** Federal Fund Analysis – Non-reimbursement Grants) in this Directive.

This attachment is similar to prior year’s **Attachment 29**.

---

**VAPR0520,  
Voucher and  
Expense  
Accrual Report**

As discussed in the **Authoritative Literature / Guidance for Preparation of GAAP Basis Fund Financial Statement Templates**, DOA uses the VAPR0520 Report (run date 10/01/24 or later) to obtain full accrual payable amounts using the following parameters.

**Full Accrual (September)**

Parameter	September – Full Accrual Payables
Business Unit (% for all)	All applicable AP Business Units
Goods or Services Receipt Date/EX Transaction Date Less Than or Equal To	06/30/24
Payment Date Greater Than	06/30/24
Accounting Date Greater Than or Equal To	07/01/24
Voucher Post Date/EX Approval Date From	09/01/24
Voucher Post Date/EX Approval Date To	09/30/24

**Note:** Agencies who wish to replicate the data that DOA will use must ensure the report is not run prior to 10/01/24.

---

**Applicable agencies**

Agencies with estimated payables that do not meet the parameters outlined above.

**Data entry**                    Only cells highlighted in yellow allow for data entry. Error messages in cells are intended to alert preparers that established parameters are not being followed. **Failure to correct Errors or provide answers to all required questions prior to submission will prohibit acceptance of the attachment. Selected cells requiring a response will be populated with an “Answer Required” message until a response is entered.**

---

**Certification**                    The **Certification** tab requires all preparers and reviewers to type their name on this form. Please note that there should be a segregation of duties; therefore, the preparer and the reviewer should not be the same individual for any tab. **By typing a name, the preparer is certifying that all of the questions have been completed and are accurate; the reviewer is certifying that the attachment has been reviewed and is complete and accurate; the preparer and reviewer were not the same individual for any tab; and the preparer and reviewer have read and understood the instructions for the attachment. If agency staffing does not allow for a different preparer and reviewer, please contact DOA.**

**Submission  
information**

Contact DOA if the agency has any problems with the files.

**After downloading the files, rename the spreadsheet file using the agency number followed by Att29.** For example, agency 151 should rename its Att29.xlsx file as 151Att29.xlsx.

**Submit the Excel spreadsheet electronically to [finrept-agvatt@doa.virginia.gov](mailto:finrept-agvatt@doa.virginia.gov).**

Please include **Agency Number** and **Attachment Number** in the **subject line** of the submission e-mail.

**Copy APA via e-mail to: [APAFinRept@apa.virginia.gov](mailto:APAFinRept@apa.virginia.gov).**

**Do not submit paper copies of the Excel attachment.**

For your convenience, the contact information in all but the first tab in each attachment/template has been unlocked and shaded yellow. The contact information continues to be automatically filled with the information from the first tab but the cells remain unlocked to allow for more than one preparer to complete the attachment.

**Attachment  
revisions**

If you identify a submission that needs a revision, please contact the [AttachmentAnalyst@doa.virginia.gov](mailto:AttachmentAnalyst@doa.virginia.gov) mailbox for guidance prior to submission. If a resubmission is approved, please follow the instructions below.

If attachment revisions are made subsequent to DOA acknowledgement of receipt and acceptance of the original attachment submission, **resubmit the revised attachment AND complete the Revision Control Log tab in the attachment Excel file.**

Enter the revision date, applicable Excel file tab name, row number and column letter revised, and the previous and revised information. Document text changes and numerical changes. Only enter changes for amounts actually keyed. For example, if a non-keyed, calculated total changes as a result of the revision, this does not need to be documented on the Revision Control Log.

If the attachment is revised more than once, do not delete revision information from the previous revision of the Revision Control Log. Enter the new revision date and the additional revisions in the rows following the initial revision rows. This log should document all revisions from the initial attachment submission.

Include “**REVISED – date**” in the **subject line** of the submission e-mail as well as in the **file name**. Resubmit the revised attachment; and ensure that the **Revision Control Log** tab has been completed.

Each time a revision is submitted the **Certification** tab should be updated with new signatures and dates.

**Background**

**GASBS No. 34**, as amended by **GASBS No. 63**, requires a Government-wide Statement of Net Position and Statement of Activities to be prepared using the economic resources measurement focus and full accrual basis of accounting. As such, all agencies must analyze and list any other amounts **owed as of June 30 but not paid until after August 31**. An example of this would be accounts payable. **Agencies need not list any accruals between July 1, 2024, and September 30, 2024, meeting the Cardinal VAPR0520, *Voucher and Expense Accrual Report* (VAPR0520) parameters outlined in the *Authoritative Literature / Guidance for Preparation of GAAP Basis Fund Financial Statement Templates* because Financial Reporting will retrieve that data directly from Cardinal. In addition, if information has been included in any other directive submission (excluding Attachment 27 – GASBS No. 33 Federal Fund Analysis), it should not be listed in this attachment.**

**Note:** As indicated in the year-end closing instructions for processing payable transactions using only one voucher (typically to process small purchase charge card bills with transactions that cross fiscal years), the cumulative impact of not separating these transactions should be monitored and reported to DOA if it becomes significant. Please refer to the year-end closing instructions for specific submission requirements. Additionally, agencies should have notified DOA if payable amounts were processed in July or August that did not conform to the **2024 Fiscal Year End Closing Procedures**. If an agency identified payable amounts subsequent to September 12, 2024, please immediately notify Sarah Drysdale at [sarah.drysdale@doa.virginia.gov](mailto:sarah.drysdale@doa.virginia.gov).

## Attachment 29

### Government-wide Payables and Other Accruals as of June 30

#### Additional consideration

In analyzing expenditures that should be accrued (like payables) after August 31, 2024, each agency must consider whether those expenditures are exchange or nonexchange transactions. For nonexchange transactions, follow guidelines in **GASBS No. 33**, **GASBS No. 36**, and **GASBS No. 65**. See also the **GASBS No. 33 – Nonexchange Transactions Overview** section in the **Authoritative Literature/Guidance for Preparation of GAAP Basis Fund Financial Statement Templates**, which can be found on DOA’s website at **www.doa.virginia.gov**. Click on the “Financial Statement Directives” link.

---

#### Exclusions

Prepayments should not be included on this Attachment. Prepayments should be included on **Attachment 20** – Schedule of Prepayments as of June 30. Also, payables to Internal Service Funds (e.g., VITA) should be excluded.

---

#### Spreadsheet instructions

Follow the instructions below in order to identify full accrual information to be paid **after August 31, 2024, and not included on the VAPR0520, using the parameters provided in the Authoritative Literature / Guidance for Preparation of GAAP Basis Fund Financial Statement Templates:**

2	Business Unit number will populate automatically in Step 2.

Please verify that this fund is the intended fund. If the following message, “Verify fund number and Contact DOA” appears, please contact DOA.  <b>Note:</b> For Federal Funds, ensure that a receivable was reported on <b>Attachment 21</b> and <b>Attachment 27</b> , if applicable, for all Federal government-wide payables included in this attachment that did not have offsetting cash on hand at June 30 for the applicable grant.
